Risk Assessment

From the point of view of your persona, please answer the following questions. Please be prepared to discuss your work with the larger group.

1. What do I want to protect?

Circle and/or write the assets you want to protect:

- Home address
- Physical location
- Contact list
- Email
- Text messages

2. Who do I want to protect it from?

Circle and/or write who you may want to protect these assets from:

- Boss
- Classmates
- Government
- Former partner
- Business competitor
- Parents
- Cyber Criminals
3. How bad are the consequences if I fail?

*Circle and/or write what consequences you face if you fail to protect the assets you selected above:*

A.) Your content will be published without your consent.

B.) You could be targeted by unwanted solicitors.

C.) Your identity could be stolen.

D.) You could be physically or mentally harmed.

E.) You could be targeted by law enforcement.

F.) You or a family member could be deported.

4. How likely is it that you will need to protect it?

To help answer this question, map the letters representing each threat from the previous question on a scale of how harmful it is to you and how likely it is to happen.
5. What am I willing to do to try to prevent potential consequences?

*Circle and/or write the available options below.*

- Use password protection.
- Anonymize web browsing.
- Use encrypted email.
- Hire a cyber security professional.
- Create multiple identities.
